The Department of Commerce and students of B.Com 1st and 2nd year organize Farewell program for the students of B.Com Final year. The president of the program was Dr. P.C. Pawar Principal of the College. In this program students express their views and experience with College and the faculty members. And the faculty members also express their views about the students and gave best wishes for the bright future of the students.

The department of Commerce has organized a farewell programme for the B.Com. Final year students. Students from Part- I and II (E and MM) took the initiative in organizing this programme. It was a very emotional programme, students express their views and experiences about the college and departmental activities. And all the faculties member and Principal of the college Dr. P.C. Pawar also express their views and extended his best wishes for their bright future. After the graduation the students should be prepared face the challenges in times to come. All the teachers and Principal of the college encourage them to be more strong and confident. There should in touch with the college and has to frequently interact with our students.
